US CONSULATE CONGRATULATES MEXICAN ROCK GROUP MANA

The US Consulate General in Guadalajara joins in the Tapatios' and Mexicans' joy and congratulates the Mexican rock group "Mana" for winning the Grammy 2012 award. Without a doubt a very well-deserved prize for this prestigious Mexican rock group.

In addition to Mana's worldwide recognized musical merits, we also congratulate them because of their commitments with environment and ecology issues, a voluntary and commendable work that the group does in favor of humanity.

Our best wishes to Mana, and we hope that success keeps following this excellent group.
